*The Luminary knows her boldness
carries the seeds of genius.*

*But she knows that her actions will
always be peppered with hints of
hesitancy until she does one thing:
commit wholeheartedly to her voice.*

*And, when she does, all sorts things that
would never otherwise occur
... ideas, answers, resources ...
spring forth.*

This is the way of the Luminary.

SESSION EIGHT

THE LUMINARY

You possess the unique capacity to set aside opinions, assumptions, and beliefs in order to arrive at the purest expression. Seeking to understand, you often see answers when others may not. By positioning yourself as an authority in your field, you encourage those around you to dig deep and really think.

SACRED AGREEMENT: Wisdom is expansive. Knowledge is power.

SOUL CALLING: My authentic voice liberates.

SHADOW: Fear of being misled or of misleading.

All great leaders have clear vision and take decisive action. Luminary leaders wield these powers precisely, adding wisdom and compassion – leading from their True Self and living from their deepest spiritual values.

The Luminary knows their true purpose and lives it with certainty.

The Luminary influences others – inspiring a shift from *power over others* to *power in service to others*. The Luminary loves to share with anyone who will listen with interest, motivating others to seek answers and educate themselves, using their knowledge to improve their lives and their work.

As a Luminary, you demonstrate the value of thinking things through. Naturally intelligent, contemplative and reflective, the Luminary loves researching and gaining new insights that causes impact in their life and their community.

For the Luminary working with structure can be a challenge. For this reason, it can be beneficial for the Luminary to team-up with someone more structured. This will help to ground the Luminary's vision, energy and work.

THE REALM OF THE LUMINARY

- The Luminary practices raising their frequency in the presence of others to inspire them to their own true potential.
- The Luminary commits to being as authentic as possible, staying in alignment.
- The Luminary recognizes the more she walks in her own sacred truth the more people are drawn to her magnetism.
- The Luminary makes it a point to practice true creative mutuality where she is grounded in her own purpose-driven experience while being open to the intimate richness of experiencing the gifts of others.
- The Luminary allows nothing to stand in the way of walking her path and develops the courage and commitment to follow it out into the world and make your creative contribution.
- The Luminary partners with the creative unknown, encouraging innovation and new opportunities to unfold through her.

*A great and profound shift takes place
once you stand in the power of
your Luminary voice.*

*You will stop allowing anyone or anything
to diminish, limit, or discourage you from
being ALL you are.*

*You recognize your self-worth
is yours to define –
that your destiny is yours to create.*

*You are free from attitudes,
people, and situations
that dilute the esteem of your soul.*

YOUR LUMINARY SELF INTUITIVE INQUIRY

This Reflective LUMINARY-SELF Inquiry Exercise requires you:

- Breathing. Relaxation. Focus.
- Cultivate respectful listening, tuning into higher guidance.
- Reverential attentiveness and refining your ability to hear.
- Allow your mind to create images of personal dreams and objectives.

Begin by envisioning yourself speaking to a group.

Ask yourself the following questions and give the first answer that comes to you, keeping in mind that the first answer is your intuition speaking. Don't over analyze your answers or second guess.

- What mission or purpose do you *feel* emotionally connected to it?
- How does it require you to stretch your ability?
- Is there one area you feel hesitation or resistance?
- How does that hesitation or resistance present itself?
- What talents do you wish to expand into the vision of your future?
- What is the one thing you'd like to say that you've yet to say?
- What are the three things your LUMINARY SELF absolutely must have in order to feel good every day?
- What three rules or ideals does your LUMINARY SELF observe?
