*Behind every creative calling,
whether it is to teach or
speak or write or encourage,
there is a sacred calling
that gives meaning to the first:
The call to give our genuine gift to the world.*

WORKSHOP FOUR

THE SAGE

No ceiling, only a new story to be written.

**Asks the questions to reach new answers –
the sensations, images, feelings,
thoughts, and perceptions –
that's where we'll find our destiny.**

The Sage archetype is one of wisdom, knowledge and power. A seeker of truth, this archetype is associated with attributes of self-reflection and understanding that enlightens the path of their destiny.

*“Once you know your authority to make a difference,
you don't really look at ways to fit in or be popular.
You actually look to see ways you can shake things up,
start a new conversation, innovate something new.
You look for how you can make a difference in the world.”*

It's the sage archetype that drives us toward such self-reflection in the search for our destiny: our calling. The sage thus engages in meaningful introspection and accepting of one's thoughts, feelings and actions *without any judgement*.

The Sage represents the innate spiritual aspect of our personality and appears in our lives through different symbols.

It may take the form of people, dreams, insights, or our life's wisdom we pass on to others.

THE REALM OF THE SAGE

You are living in the realm of THE SAGE when:

- The Sage believes there is no end to learning and are continually gaining new insights and information.
- The Sage calls upon spiritual insights to form the basis for their truth.
- The Sage aims to differentiate themselves by trusting their own path.
- The Sage helps people to better understand the world and situations.
- The Sage has faith in humankind and believe in new possibilities.
- The Sage's nature is based in a respect and understanding of life experiences as a source of transformation.
- The Sage is good at recognizing the greatest contribution they can make in collaboration with others and working in community.
- The Sage takes pride in emotional, spiritual intelligence.
- The Sage continually evolves and practices self-development.
- The Sage is prone to making smart, deliberate, impartial decisions.

*"There is a purpose speaking through you:
It speaks through your enthusiasm, your talents,
the creativity you bring to your life and
the lives of people you love.
When you learn to tap this source,
you will truly have found your calling."*

WRITING YOUR DESTINY STORY

The Soul of your Sacred Purpose

Your destiny story is a formula for telling your story in a way that reveals things you may not have thought of, have forgotten, or maybe never considered.

1. Acknowledge your story blessings
2. Embody your power and purpose through attitudes and actions
3. Amplify your wisdom by sharing with others

*In every woman's story there is
one pivotal moment that changes everything,
that one moment when she realizes her worthiness
isn't something she need to prove.
She knows it is her sacred birthright.*

Your DESTINY STORY begins with BLESSING and ends with a NEW AGREEMENT of PURPOSE. A SACRED AGREEMENT.

ACKNOWLEDGE YOUR STORY BLESSINGS

- Where does your story of your purpose begin?
- What is the earliest moment you can recall a sense of direction, meaning, or purpose?
- What experiences do you see as a continuing 'theme' along the path of your most empowered learnings, transformation, or choices?
- What common thread did those learnings prepare you to share?
- What distinctions of knowledge were revealed in those learnings?

EMBODY YOUR POWER AND PURPOSE

- What is the biggest obstacle you've overcome?
- Who was a mentor or guide that made the greatest impact?
- What has brought you the most profound sense of gratitude?
- What challenging relationships transformed into master teachers?

AMPLIFY YOUR DESTINY

- What are you willing to stand for?
- How will taking a stand for this make a difference in the lives of others?
- How will taking a stand for this impact your life?
